Technician Signature _____

With my signature below, I authorize the installation of an ignition interlock into the above stated vehicle and I affirm that the information in this form is true to the best of my knowledge. The above Vehicle Checklist has been completed prior to the ignition interlock being installed. The interlock system will not affect your vehicles performance, electrical system, accessories/aftermarket products or factory settings. Any problems occurring with your vehicle, either electrical or mechanical, after the installation will not be interlock related and we will not be responsible for normal mechanical failures.
